Subject: Draft Chemours/DuPont Order

Hi Team - I'm attaching a link to the draft order on consent that I have revised to incorporate edits/comments. OSRE will **Ex. 5 Deliberative Process (DP)**, but I'm sending the updated order to you all now in preparation for our team meeting call tomorrow afternoon. I'm also attaching an updated compare document, so you can see what has changed from the 2009 order on consent; although, I recommend you look at the sharepoint version initially. Please make any edits in the sharepoint version using the link. Talk to you all tomorrow. Thanks-Jacquie
